A parent of a student with a disability has protection under the procedural safeguards which can be obtained on request and will be available at the annual case conference committee meeting. The procedural safeguards document includes a list of resources to contact for assistance in understanding the provisions of Indiana special education rules.

A parent may request the participation of any other individual whom the parent has determined has knowledge or special expertise regarding the student. For a student transitioning from First Steps, an invitation to the initial case conference committee meeting must be sent to a Part C representative at the request of the parent.

At the discretion of the parent, the student may attend. The student will be invited to the case conference meeting once the student is of the age to be preparing for transition to adulthood. When a student attains eighteen (18) years of age, all of the rights that were formally provided to the student's parents shall transfer to the student unless a guardianship order has been presented or an educational representative has been appointed.
